

# **Drunken Sailor**

What shall we do with a drunken sailor?  
Early in the morning!

*Who ray and up she rises*  
*Who ray and up she rises*  
*Who ray and up she rises*  
*Early in the morning!*

Shave his belly with a rusty razor,  
Early in the morning!

Put him in a long boat till his sober,  
Early in the morning!

Stick him in a barrel with a hosepipe on him,  
Early in the morning!

Put him in the bed with the captains daughter,  
Early in the morning!

That's what we do with a drunken sailor,  
Early in the morning!
