There were two sisters side by side, Sing aye dumb, sing aye day  
There were two sisters side by side, The boys where bound for me  
There were two sisters side by side, The eldest for young johnny cried  
*I'll be true on to my love If he'll be true to me*

Johnny bought the youngest a beaver hat, Sing aye dumb, sing aye day  
Johnny bought the youngest a beaver hat, The boys where bound for me  
Johnny bought the youngest a beaver hat, The eldest didnt think much of that

Johnny bought the youngest a gay gold ring, Sing aye dumb, sing aye day  
Johnny bought the youngest a gay gold ring, The boys where bound for me  
Johnny bought the youngest a gay gold ring, He never bought the eldest a single thing

As they were walking by the stony brim, Sing aye dumb, sing aye day  
As they were walking by the stony brim, The boys where bound for me  
As they were walking by the stony brim, The eldest pushed the youngest in

Oh sister, oh sister give me your hand, Sing aye dumb, sing aye day  
Oh sister, oh sister give me your hand, The boys where bound for me  
Oh sister, oh sister give me your hand, And you can have johnny and all his land

Oh, sister i will not give you my hand, Sing aye dumb, sing aye day  
Oh, sister i will not give you my hand, The boys where bound for me  
Oh, sister i will not give you my hand, And will have johnny and all his land

And away she sank and away she swam, Sing aye dumb, sing aye day  
And away she sank and away she swam, The boys where bound for me  
And away she sank and away she swam, Until she came to the miller's dam

And the miller he took her gay gold ring, Sing aye dumb, sing aye day  
And the miller he took her gay gold ring, The boys where bound for me  
And the miller he took her gay gold ring, And then he pushed her in again

The miller he was hanged on the mountain head, Sing aye dumb, sing aye day  
The miller he was hanged on the mountain head, The boys where bound for me  
The miller he was hanged on the mountain head, The eldest sister was boiled in lead  
*I'll be true on to my love If he'll be true to me*
